Dear Mr. Garcia:

This letter is to inform you that the Enforcement Division has conducted a review of Texas Commission on Environmental Quality records on the above-referenced enforcement actions. As a result, the enforcement case files have been closed; however, the terms and conditions of the associated administrative orders ("Orders") remain in effect. The Orders will remain on the regulated entity's compliance history for five years from the effective date of the Orders.

If we can be of further assistance, please contact Ms. Mason DeMasi of my staff at (210) 657-8425 or at mason.demasi@tceq.texas.gov.

Sincerely,

A handwritten signature in cursive script that reads "Megan Hamilton".
